

## COME IN & STAY CAFÉ

### Meeting place for young refugees

The Ballhof Café is opening its doors as a meeting place for young people with a refugee background. In the café you can hang out with your friends, surf in the internet, play games, attend workshops and much more while enjoying some tea and pastries. This is a place that is open to your ideas and that you can use freely! Every Monday there will be several open rooms, so that different activities can take place at the same time.

If you have ideas, questions or wishes, you can always talk to somebody from the theatre and the Refugee Council (Flüchtlingsrat Niedersachsen).

### It all starts on 23 May!

After that: Every Monday from 16:00 - 18:00h in the Ballhof Café (Knochenhauerstr. 28).  
(Last date: 04.07.2022)
